

HELP STOP HOMELESSNESS

You are invited!

CAREPOINT CONNECTORS' CONFERENCE

**Thursday, October 17, 2019
6:30 to 8:00 PM**

**Journey Church
3500 Spring Forest Road
Raleigh, NC 27615**

Unfortunately, not everyone is benefiting from our booming economy and the Triangle Area is a harsh environment for people living in poverty and crisis. For them, every day, the risk of HOMELESSNESS is an ever-present, looming reality.

BARRIERS such as:

- Disparities in affordable healthcare
- Food insecurity
- Lack of emergency and affordable housing
- Insufficient public transportation resources

Can lead to HOMELESSNESS in Wake County. These BARRIERS are insurmountable without the support and compassion of the community.

It is clear folks that call Wake County and the Triangle Area home have a generous and giving spirit, BUT many with a heart to help don't know how to CONNECT.

WHAT IS A CAREPOINT CONNECTOR?

CONNECTORS are the “boots on the ground,” the bridges to hope, connecting people IN DIRE need TO AVAILABLE RESOURCES. They are the hand up and out of crisis.

Who can serve as a CONNECTOR?

Anyone with compassion in their heart.

What do CONNECTORS do?

CarePoint Connectors listen, encourage and build vital relationships of trust and support with people who are homeless or at risk of becoming homeless.

Connectors connect people to, and through, **CarePoints**, where individuals receive food, clothes, toiletries, encouragement and “connections”, to resources and opportunities for life, job and health improvement needed to overcome homelessness.

**Are you a CONNECTOR?
Do you know a CONNECTOR?**
